

Dear City of Lowell,

We, Tania Ormonde and Pedro Camara, residents at 161 Mt. Vernon Street Lowell, MA hereby request a traffic mirror at the Mt. Vernon Street and Broadway Street 4-way intersection. Even though there are STOP signs leading from both ends of Mt. Vernon Street onto Broadway Street, there is no traffic signal on Mt. Vernon Street at this intersection. It's an extremely dangerous intersection, as the visibility is little to none.

Adding visibility from Mt. Vernon Street onto Broadway Street is of extreme importance, especially since the Stoklosa School borders Broadway Street and there are many vehicles, families and children commuting around that area. We are requesting that a traffic mirror be installed in order to aid with visibility as there are many cars parked on Broadway Street which makes taking a turn onto Broadway Street from Mt. Vernon Street extremely dangerous.

Our request is of paramount importance to the residents of this neighborhood and for all of those who travel in this area, especially the children who attend the Stocklosa School.

We look forward to your speedy response. Please feel free to reach out to us for additional information. Our contact information is as follows:

Tania Ormonde 978.204.3986 taniaormonde@gmail.com
Pedro Camara 781.953.4501 pcamara14@gmail.com
161 Mt. Vernon Street
Lowell, MA 01854

Gratefully,
